The
Outlaw
AT LINCOLN HILLS

A PLACE TO CALL HOME

In a lush, untouched area just outside Ruidoso, New Mexico, cradled between the Southern Rocky Mountains and Sierra Blanca's stunning snow-capped peak, sits The Outlaw at Lincoln Hills.

Secluded from the outside world, but minutes from the city and the great outdoors, The Outlaw features 235 estate lots in a gated community, each with a breathtaking view.

Experience a truly unique golf atmosphere; with complete on-site lodging for members and guests, a club concierge and access to unparalleled service and amenities. Our clubhouse serves an array of regional cuisine, enjoyed amidst the backdrop of spectacular mountain views.

The Outlaw will become one of the most sought-after golf properties in America. However, only limited memberships will be offered. The Outlaw is only for those who love the finer things in life...and prefer to enjoy them without the intrusion of tourists. **Contact us today at (800) 841-0168 to request a complete information package on current Membership and Real Estate offerings at the Outlaw.
